

# Engagements

Established in 1999, Mark Dickinson Photography has photographed countless couples, children, and families. With over 15 years experience we skillfully capture the emotion, moments, and memories that will last a lifetime.

With MDP as your photographer, you will receive personalized service with outstanding results. We provide honest answers to all of your questions, and are easily available via phone or email. At MDP we are equipped with full-frame FX pro cameras, a creative lighting system, and multiple lenses to achieve the highest quality in artistic portraiture.

We post process all of the images selected for your gallery, which is easily accessible from both computers and other electronic devices. We keep our print prices affordable, so ordering prints from us is a breeze. Our sessions and packages are two part: Creative fee, followed by an ordering session or USB drive option during the 15 day proof period.

Also, our wedding packages include a complimentary 1 hour "Get To Know You" session; so, make sure to check out our wedding price list as well! We can't wait to work with you and your fiancée and create amazing memories!

Travel outside of Volusia County is done by round trip mileage rate of .71/mile. This includes time out during travel, package starts upon arrival on location. Travel over 200 miles requires additional travel charges such as 1-2 nights lodging.

Retainers and payments are required to hold the date. Verbal agreements must be written on paper or confirmed via email in order to be verified. Copyrights are included in certain packages but are not permitted to be printed at Walmart, Walgreens, or other 1 hour non professional labs. We value our image quality, which is affected when developing at printers with substandard printing techniques. We offer discounted print prices to offset this so that you can receive the compatible quality with the FX cameras.

We understand that things happen... If you are late to any session, you have three options: You may use the remaining time left, reschedule for a fee, or buy extra over time at an additional cost.
